PLAY
CLUB

Kids who love filmmaking and want to take their little careers to the next level can join the screenPLAY Club and have their films shown on the **BIGSCREEN** at the 2017 Cairns Children's Festival.

These school holidays are the perfect time to make a start on your film.

It's a great opportunity to let your imagination run wild! Is your story scary or funny, serious or true, is it about music or is it about somebody or something special in your life? Whatever it is we want to show your stories to the people of Cairns.

Have some fun and give it a go! We'd love you to be a part of the screenPLAY Club's mini Film Festival as part of the 2017 Cairns Children's Festival.
