Hello,

My name is Leslie and I am thrilled to offer your child singing lessons and performance coaching.

I'm very passionate about singing and I love to help others develop their skills and offer them a fun environment to inspire their passion for singing even more. I'd like to take this opportunity to explain to you what I do and you are more than welcome to e-mail me at any time with any concerns or questions. Email is always best the form of contact.

Singing Lessons consist of:

- Vocal Warm Up's, Vocal Exercise's , Vocal Technique
- Breathing Technique
- Singing with CD Vocal and Backing Tracks.
- Singing with the Piano (where required)
- References to music Theory is always incorporated as well.

VOCAL PACK: Students will be provided with a Vocal Pack by their second lesson. The contents of this pack will enable students to practise! Yeahhhhhh!!! It will contain: CD's with Vocal tracks and Backing tracks, a display folder, lyrics, an exercise book (practise info will be written down so no excuses!), Sheet or Chord music where required, a copy of 'Leslie's Singing Manual' and a Vocal Pouch to put everything into. The cd's aren't fancy but contain what is required for your child to practise. The cost of the pack is \$40 and students are required to 'bring their vocal pack to every lesson!'

ON Going Costs: There will be subsequent charges of \$20 in a given term to cover the on going cost of purchasing songs/creation of cd's/ purchase of sheet music.

A new level of music is prepared each time a students completes their current level. If students purchase their own music then there is no charge of course. Students are permitted to choose some songs however; parents and also myself must approve these songs.

WORKSHOPS – Term 1 and 2:

I also like to offer my students the opportunity to attend workshops at my home where they perform in front of each other using my sound equipment. During the workshops, students gain more confidence in performing as well as learning about microphone technique and stage performance. There is a cost of \$10 to attend the two-hour workshop, paid on the day. Students are also provided with a morning tea and dates are confirmed at the beginning of each term andstudents never want to go home, it's a lot of fun!!

PERFORMING – Term 3:

It is also my hope that students are performing their school choirs, musicals, music nights and eisteddfods and where possibly and of course attend the workshops that are on offer by myself.

LESSON FEES:

1. Lessons are charged by the Term at 10 weeks per term, \$25 per lesson = \$250 per term.
2. Invoices are e-mailed out at the start of Week 7. The end of Week 9 requires payment.
3. No charge for lessons where your child is required to attend a school event/excursion/camp
4. \$15 fee applies when parents do not notify me of your child's absence. – pls send a text.
