

# Want to learn the violin?

Mr Wittgens will be coming to Holy Cross in 2018 to give group or individual lessons to interested students. All you need to bring is an instrument and a great attitude! Have fun, impress your friends and enjoy making music.

Michael Wittgens is a professional musician who has played first violin with many orchestras, including the Sydney Symphony Orchestra and the Adelaide Symphony Orchestra, on their tour of Asia. Michael studied at the Sydney Conservatorium and played for many years at the Sydney Opera House for the Australian Opera and Ballet Orchestra. He has played in diverse ensembles and productions including the Australian Chamber Orchestra, productions such as 'Les Miserables' and 'Big River' and on tour with the Stylistics, Gene Pitney, Barbara Streisand and Savage Garden at the ARIA Awards. He currently enjoys teaching violin students at his home studio, from beginners to advanced, as well as playing in local orchestras and at weddings and events.
