Vatomandry - Madagascar

Our Beloved Benefactors and Donors

With joy and gratitude,
thank you so much for your amiability and
your generosity who come forward to support
our Mission with your help.
Without your help and financial support, we
can never achieve this big work.
May God give you all grace and be always
your reward for your generosity and your
delicate attention to us, and to needy children
of Vatomandry - Madagascar.

On my own behalf of the entire
educational community in Vatomandry
(students, teachers, parents, and committees)

We send you our sincere thanks
and appreciation.

With love and prayers.

Sr Rose Fells.
Daughter of Wisdom.
